

## Single Feasible Source Purchase

Title: Citizen Advocacy Demonstration Project

Description: To sustain Citizen Advocacy Project connections in St. Louis Missouri.

To provide citizen advocacy coordinators to work with Department consumers on identifying opportunities and interests in community integration. Coordinators will also be responsible for recruiting and supporting citizen advocates in the communities who will develop relationships with individuals transitioning to the community who are at risk of social exclusion.

Missouri Protection and Advocacy Services qualifies as a single feasible source since under 42 USC § 15043, Missouri Protection and Advocacy Services has been designated as the required system to protect and advocated the rights of individuals with developmental disabilities within the state of Missouri.
